Circular

Sub: Installation of 10 HP capacity off-grid solar pumps to eligible farmers of 7.5 HP off-grid solar pumps under Magel Tyala Saur Krushi Pump Yojana (MTSKPY).

Ref.: GoM GR dtd. 12.05.2021

MSEDCL is implementing the Magel Tyala Saur Krushi Pump (MTSKPY) scheme, for the installation of off-grid solar pumps.

The said schemes are being implemented as per criteria determined by MNRE and guidelines issued vide GR dtd. 12.05.2021. Accordingly, farmers holding farm land up to 2.5 acre are eligible for 3 HP, from 2.51 acre up to 5 acres are eligible for 5 HP and above 5 acres are eligible for 7.5 HP solar pump capacity. Presently, beneficiary can opt off-grid solar pump for 3 HP, 5 HP and 7.5 HP capacity and Subsidy from GoM shall be admissible up to 7.5 HP capacity only.

Various queries for less discharge of off-grid solar pump are received from public representatives and they have requested for allowing installation of 10 HP off-grid solar pump to eligible farmers of 7.5 HP off-grid solar pump.

In view of above, Competent Authority has accorded an approval for installation of 10 HP capacity off-grid solar pump to eligible farmers of 7.5 HP off-grid solar pump after payment of the differential amount in the cost of 7.5 HP and 10 HP off-grid solar pumps to the selected vendor directly by the beneficiary.

The detail guidelines are as under -

If beneficiary is liable for 7.5 HP off-grid solar pump and desires to install 10 HP off-grid solar pump, then after paying the additional difference amount the 10 HP off-grid solar pump can be installed to such beneficiary farmer. The beneficiary farmer shall be eligible for the Subsidy of 7.5 HP off-grid pump only.

The rates received for various HP solar pump for MTSKPY scheme is mentioned in Table-'A'. The differential amount to be paid by beneficiary to the vendor shall not be more than the difference of cost between 7.5 HP pump and 10 HP pump discovered price mentioned at Table 'A'.

Table 'A'

Pump Type	Discovered price (in Rs.) [inclusive GST]
7.5 HP DC Submersible solar pump without USPC	4,07,552/-
10 HP DC Submersible solar pump without USPC	5,12,100/-

In this regard, it is instructed to implement the above said guidelines. This scheme is applicable for paid pending of 7.5 HP off-grid solar pump for which installation is still not done under Magel Tyala Saur Krushi Pump Yojana.
