Sr. No.	Clause of RFS/PPA	Clause No.	Existing Clause	Bidders Query / Suggestion	MSEDCL's Reply
1	Bid Information Sheet	Ceiling Tariff:	INR 2.65/unit	Request to consider our request to increase purchase tariff from 2.65 to 2.95/3.00 per unit as PPA for 12 years and maintenance cost is increasing every year. We hope you will consider our request to see cost of wind power generation.	The bidder's request is not accepted. The bidder shall adhere to RfS condition.
2	RfS	Definition	Effective date shall mean date of execution of new PPA or date of expiry of FIT EPA or existing Short term PPA or existing Open Access contract whichever is later.	Our existing short term PPA till 30th March 2023 so we request you long term PPA need to execute by MSEDCL before 31st March 2023. If proceeding going delayed in that case MSEDCL should purchase power generated from our WTG at short term PPA Tariff price 2.52 till you sign long term PPA. We are small power Generator & where we have to go for sell generated power as from starting we have sold only to MSEDCL so MSEDCL should take care of all small WTG.	The bidder's request is partially accepted. The revised definition of effective date is as follows: Effective date: shall mean date of execution of new PPA or date of expiry of FIT EPA or existing Short term PPA or existing Open Access contract. It is further clarified that, such dates has to be prospective with regard to floating of this tender.
3	RfS	RfS/ 1.2.1- Details of Power Procurement	MSEDCL shall enter into Power Purchase Agreement (PPA) with the Bidders selected based on the terms & conditions and provisions of this RfS for purchase of wind power for a period of 12 years from the date of execution of PPA or from the date of expiry of EPA/STPPA for existing wind power projects. The tariff payable to the Selected Bidders shall be fixed for 12 years as discovered through the e-bidding and e-reverse auction conducted vide this RfS.	WTG is designed for a total 20-25 years of operational life beyond that there is no surety about spares availability. There are no penalty if WTG not in condition to Generate electricity before end of LTPPA.	The clause no. 1.2.1 of RfS and accordingly relevant clauses of RfS/PPA shall stand revised as follows: <i>MSEDCL shall enter into Power Purchase Agreement (PPA) with the Bidders selected based on the terms & conditions and provisions of this RfS for purchase of wind power for a period of 12 years / balance useful life of the WTG (provided that such balance period qualifies for long term power purchase agreement period) from the date of execution of PPA or from the date of expiry of EPA/STPPA for existing wind power projects. The tariff payable to the Selected Bidders shall be fixed for 12 years / balance useful life of WTG as discovered through the e-bidding and e-reverse auction conducted vide this RfS.</i>

4	RfS	3.2.2 Minimum Capacity of Project:	Wind power projects having an individual size of 0.5 MW and above at one site with a minimum bid capacity of 0.5 MW.	The minimum capacity should be 225 KW as there are so many small wind turbines installed in Maharashtra.	The bidder's request is accepted. The revised clause as follows: <i>Wind power projects having an individual size of 0.225 MW and above at one site with a minimum bid capacity of 0.225 MW.</i>
