

## Addendum 2

(RfS No. MSEDCL/RE/2024/1052 MW Solar/LIS/T-12 Dated 15.03.2024)

MSEDCL has floated tender for Solarisation of LIS (Government Owned) on dated 15<sup>th</sup> March 2024. The solar project is to be commissioned on the WRD land parcels.

Kindly note that co-operative / private LIS consumers as listed in "Annexure – A" can also participate in the above said tender. It is hereby clarified that these co-operative / private LIS consumers shall have to arrange the land for the commissioning of solar project. Co-operative / private LIS consumers can arrange the land independently or may be by group of consumers collectively.

The capacity of solar plant should be 1.5 times of a maximum annual consumption of last ten (10) years, considering the CUF as 24%.

Illustration: - Sample calculation for solar project capacity

Case	Max Annual Consumption in last 10 years( Mus)	Solar Generation required (Mus)	Solar capacity required ( MW)	Rounded Solar Capacity required (MW)
I	1	1.5	0.710	1
II	2	3	1.43	1.5
III	3	4.5	2.14	2.5

The Bidders are requested to review the websites of the Bharat E-Portal (<https://www.bharatelectronicstender.com>) and the Maharashtra State Electricity Distribution Company Limited ([www.mahadiscom.in](http://www.mahadiscom.in)) periodically for further details on the RfS referred to above and for any further updates thereto.
